Clinton County Electric Cooperative and City of Breese line personnel compete in Lineworker's Safety Rodeo

Line personnel from Clinton County Electric Cooperative (CCEC) and the City of Breese participated in the annual Lineworker's Safety Rodeo coordinated by the Association of Illinois Electric Cooperatives (AIEC) on Thursday, Sept. 19. Fifteen teams from 12 electric co-ops and one municipal electric utility participated in the friendly competition, along with seven others competing individually. The rodeo highlights the skills lineworkers use to work safely and efficiently.

Craig Benhoff and Sam Kuhl from CCEC and Jordan VonderHaar from the City of Breese represented their co-op and city as a team, and Cole Timmerman represented the City of Breese as an individual at the rodeo, held at the LLCC Line School Yard in Springfield. They competed against teams from across Illinois in events using skills that

focus on agility, speed and accuracy. While these skills are part of the judging criteria, above all, participants are judged on safe work practices.

Line personnel competed in a series of team and individual events including the 40-foot climb, hurt man rescue and crossarm change. The cutout change was a team event, and the day concluded with a head-to-head climbing challenge.

Scores for each event are based on completion time, proper execution of the task and safety. Deductions were made to a team or individual's overall performance score due to mistakes such as slipping when climbing poles, dropping tools or executing inappropriate procedures or methods.

From left: Sam Kuhl from CCEC, Jordan VonderHaar from the City of Breese and Craig Benhoff from CCEC. The Clinton/Breese team placed 2nd in the cutout change competition at the Lineworker's Safety Rodeo in Springfield.

At the end of the day, the Clinton/Breese team won second place in the cutout change competition. Congratulations to our lineworkers on their team and individual efforts.
