

HAPPY TO WORK ALL NIGHT.

A silhouette of a utility worker in a bucket truck working on a utility pole against a sunset sky. The worker is positioned in the bucket of the truck, reaching up towards the power lines. The truck's arm is extended, and the worker is wearing a hard hat and safety gear. The background is a vibrant orange and yellow sunset with scattered clouds. Utility poles and wires are visible against the bright sky.

If it means getting the lights back on for even one family, we are glad to do whatever it takes. We're not your typical electric company, we're a local not-for-profit electric cooperative. That means our customers are our members and our top priority.
