

DON'T JUST GO-PHER IT.

CALL BEFORE YOU DIG.

WHY?

Don't dig yourself into a hole. Calling 811 protects public safety and helps you avoid hitting underground equipment.

WHAT HAPPENS WHEN YOU DON'T CALL?

- You risk damaging utility equipment.
- You and your neighbors could lose service.
- You could injure yourself and others.
- You may be liable for costly repairs and fines.

**AVOID THE RISK & CALL
811 BEFORE YOU DIG.**
