

Help us find members with uncashed Capital Credit checks!

In 2025, your Board of Directors authorized a general retirement of Capital Credits earned by members who had active service with us in 2004 and/or 2005. Active members received a bill credit or check, and inactive members were mailed a check.

Some of those checks were never cashed. Sometimes members move and we don't have a good address, sometimes they pass away, and sometimes they simply overlook a check as junk mail or forget to cash it. Whatever the reason, we want to make sure every member gets the Capital Credits due them.

Scan this QR code to visit our webpage at www.menard.com/capitalcredits; at the bottom of that page click the link to view a listing of members with uncashed checks.

If you know someone, please ask them or their estate executor if applicable, to email info@menard.com or call 800-872-1203.

2026 Capital Credit allocations

A message appeared on your electric bill in June showing the amount of Capital Credits allocated to your account for electricity you purchased in 2025. These allocations are not available as cash, nor can they be

applied as payment to your bill. Capital Credits are paid to members as the Board of Directors authorizes according to the financial condition of the cooperative. The Capital Credits allocated to you will remain with your membership until they can be retired.

Member Survey

We would greatly appreciate all members taking a brief online survey! To take it, you may visit our website at www.menard.com or scan the QR code here.

This is the same survey that was presented to you at the Annual Meeting of Members on June 17. If you attended the meeting, you may have already taken the survey.

Sharing Success

Menard Electric Cooperative (MEC) and CoBank have joined forces to provide donations to three community service entities as part of CoBank's Sharing Success Program. As a member of CoBank, the cooperative can nominate organizations for a matching donation.

Cass County Food Pantry

A \$5,000 total donation was presented to Cass County Food Pantry. Pictured for a "big check" presentation are food pantry volunteers and MEC's General Manager Alisha Anker and now retired Director Jodie Tate. From left: Penny Davidsmeier, Janet Teegarden, Alisha Anker, Jeff Pederson, Jodie Tate, Richard Krohe and Al Giacomini.

Central Illinois Veterans Commission (CIVC)

A \$15,000 total donation to be used towards construction of new tiny homes in Lincoln provided to veterans. Front row from left: Co-op Director Michael Patrick, General Manager Alisha Anker and CIVC Outreach and Engagement Coordinator Annie Coers. Behind them are several volunteers building a home, including Dave Harris, Joe Funk, Tom Cade, Spud Newhouse and Bill Albert.

Friends of Mason County Youth Shooting Sports

A \$10,000 total donation will be used towards infrastructure and equipment purchases for the new organization. Pictured: MEC Director Jay Frye and General Manager Alisha Anker; sport organization leaders Gabriel Baker, Randy and Keri Pequignot, Luke Cowin and Jessilyn White; and numerous youth participants.

Scholarship winners

This is the ninth year of our scholarship program. Eligible applicants included high school seniors whose parents/legal guardians are active members. Since one of our seven founding principles is Commitment to Community, these scholarships represent a small part of that commitment. As such, one of the criteria for the award is an emphasis on community involvement efforts the student has made or realized in their life.

Other criteria for the scholarship included an investment of time in school activities. The judging panel consisted of electric cooperative leaders from across the state who uphold the same values we do. Winners are shown at their school awards night with General Manager Alisha Anker.

\$1,500 At-Large
Luke Charlton
 Graduate of Midwest Central High School

\$2,000 4-year University
Nyah Gronewold
