Capital credit checks not cashed as of October 1, 2026

Most of this month's publication will be dedicated to communicating with those members, past and present, that have uncashed capital credit checks. We need your assistance in connecting with these members so we can return their allocated/retired patronage. A list of members with outstanding capital credit checks can be found below. Please contact us at P.O. Box 40, Breese, IL 62230, via e-mail at cceci@cceci.com, or by phone at 800-526-7282 with any appropriate information regarding these members. If you move off our lines, please keep us informed of any address changes. If you are presently a member and your name appears on this list, contact us so we can reissue your check.

TIPS TO AVOID ENERGY SCAMS

Stay alert for fraudulent utility calls. Scammers can spoof caller ID to make a phone call appear to come from your electric utility—even when it doesn't. They may threaten disconnection, demand immediate payment or ask for personal information. Don't rely on caller ID alone to verify a caller's identity. If you receive a suspicious call, hang up and contact your utility using the phone number printed on your bill or listed on the official website.
